

**WAGYU SOUTH AFRICA / CERTIFIED WAGYU BEEF**

**Conditions for the supply of Wagyu cattle to Wagyu Custom Feeders (WCF) feedlot**

- 1) **WCF will only accept animals that are part of the CWB protocol**  
([www.wagyu.org.za/audit-manual](http://www.wagyu.org.za/audit-manual))
  - WCF will in no way allow animals that do not comply with the protocol. Your animals will not be unloaded from the truck;
- 2) Only oxen that have been castrated before 5 months as well as heifers will be accepted.
  - If not castrated correctly, WCF will get a veterinarian to castrate the animal at the farmer's expense (including labour);
- 3) Upon arrival an entry weight will be taken.
  - Wagyu usually stand in the feedlot between a year or two.
  - WCF will provide a weight to the breeder every month.
- 4) WCF will ensure that all animals follow the necessary protocol up to slaughter weight.
