Agreement & Requirements

1) Certified Wagyu Beef (CWB) tags remain the property of the CWB and are sold under the CWB Trademark Licence Agreement. The tags will only be issued to CWB Licensees who have signed the CWB Trademark Licence Agreement.
2) All animals identified with a CWB tag must be the offspring of a Wagyu Society of SA Herdbook registered Fullblood or Purebred Wagyu sire.
3) Tags will be applied in a manner which complies with the Certified Wagyu Beef Protocol.
4) CWB reserves the right to verify the CWB Licensee's use of tags through documentation and on-farm audits by CWB representatives and SAMIC as per the CWB Trademark Licence Agreement. Misuse may result in tag removal from the animal and withdrawal of the approval to have additional cattle tagged and certified.
5) All animals tagged with CWB tags must have a DNA sample extracted from the tagged animal in the corresponding Tissue Sampling Unit and delivered to CWB within 30 days of birth if a CWB slaughter animal or within 90 days of birth if a Herdbook registered animal.
6) I hereby agree to the Wagyu Society of SA and CWB undertaking whatever DNA testing they consider appropriate at their sole discretion.

By signing below, I agree I have read and accept all CWB Trademark Licence Agreement and CWB Protocol requirements. I understand that I am responsible for the accuracy of the information I provide to CWB and I release the CWB from any liability for errors or omissions in the information provided.
